THE HARMONIC - LEFT

2 Bedroom • 2 Bath • 1,524 SF

A dramatic cathedral ceiling draws the eye up and adds height to the spacious living room, formal dining room and kitchen in this second floor apartment home. An expansive island, convenient pantry, elegant granite countertops, top-of-the-line stainless steel appliances, designer cabinetry and a beautiful custom tile backsplash complete the sleek kitchen.

The cathedral ceiling is carried into the master. The pass through en suite is large enough for two with double sink vanity and access to an enormous walk-in closet. Located on the opposite side of the residence, a second bedroom includes a large walk-in closet and convenient access to the second luxury bath. A private balcony is accessible from the den.
